

# How to link your King Soopers Loyalty Card and benefit AATPC

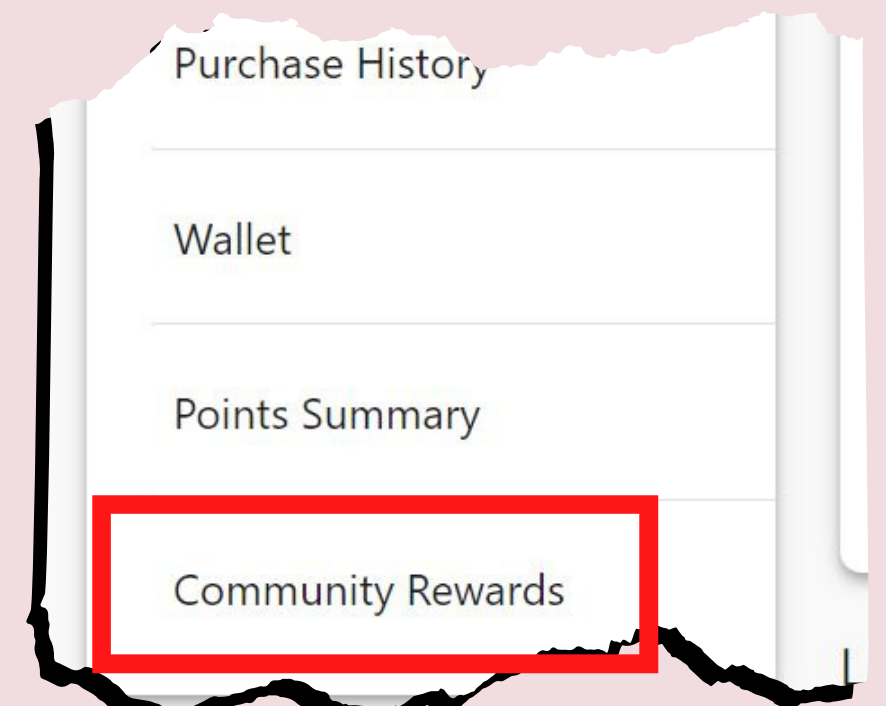

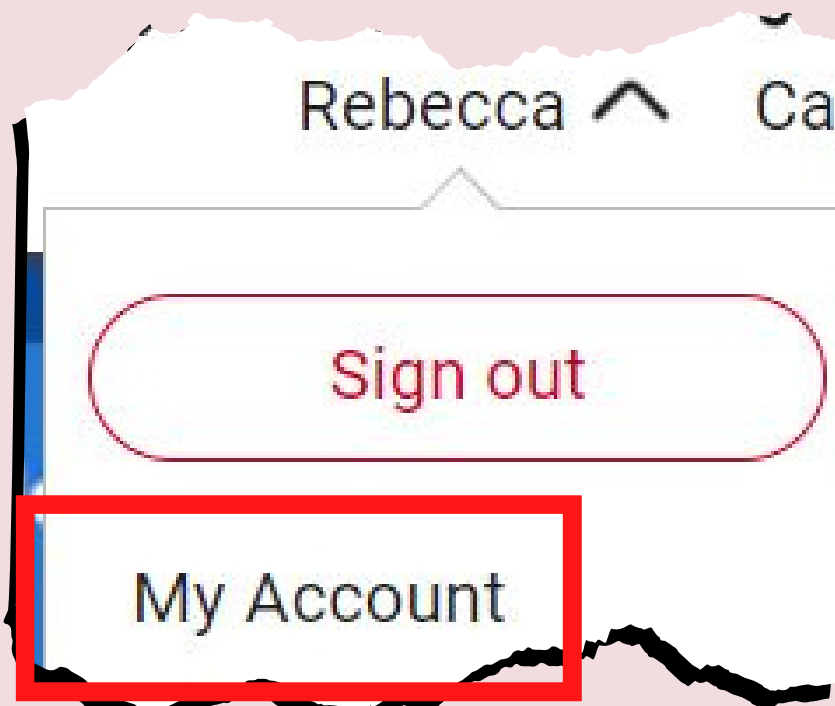

An easy way to support AATPC. It takes only a minute to link your card, you only have to do it once, and it doesn't cost you anything extra. A portion of your grocery bill will automatically be donated to AATPC.

**1** Go to [www.kingsoopers.com](http://www.kingsoopers.com) and sign into your account

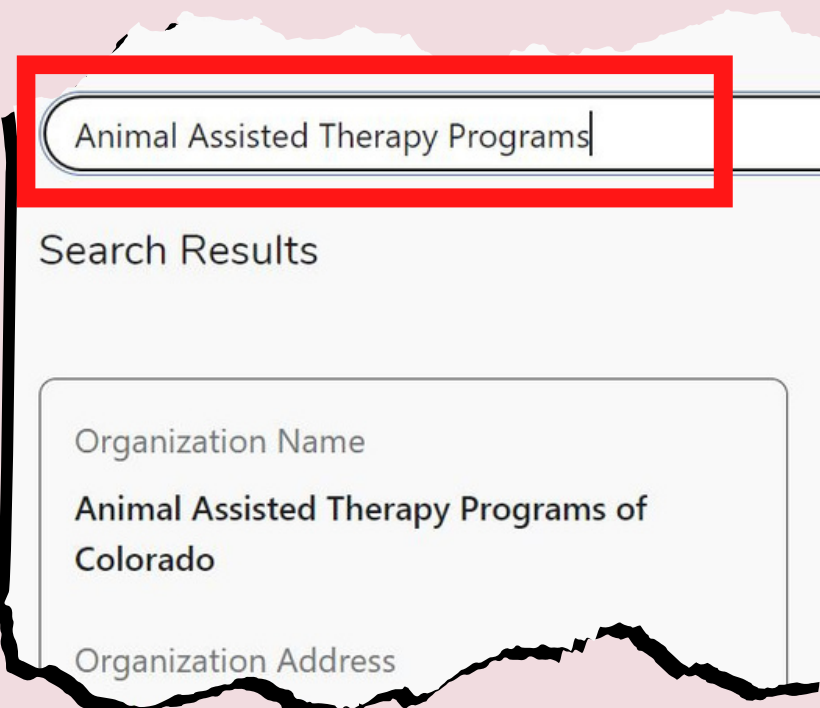

*Note: You will need to create an account if you don't have one.*

**2** Click the down carrot next to your name, select "My Account", and then select Community Rewards

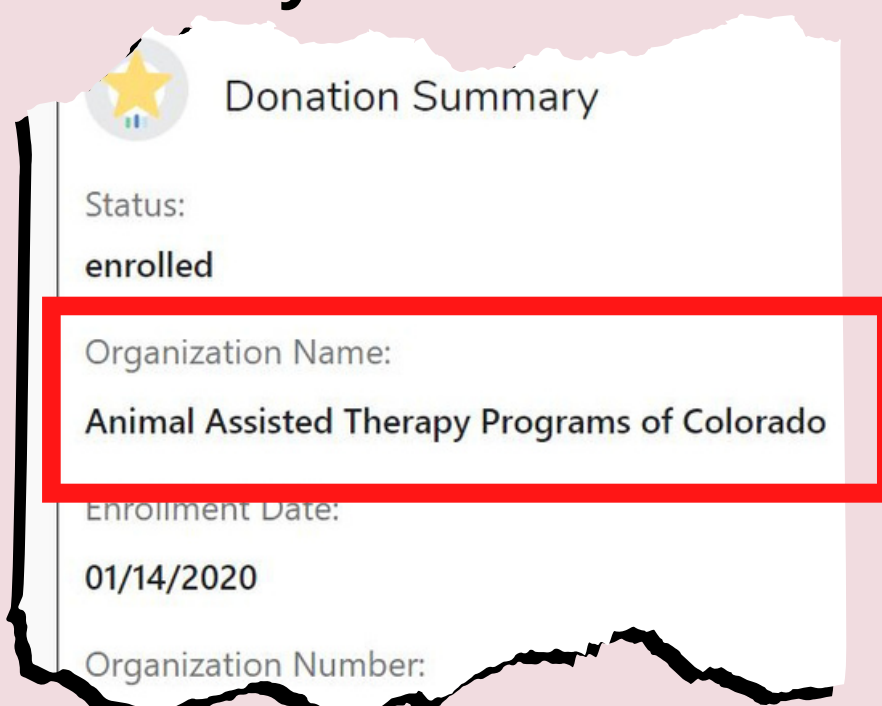

**3** Search for: 'Animal Assisted Therapy Programs'

*Note: If you're already signed up to support another charity you can keep that charity or click 'Change Organization' to select AATPC*

**4** Click "Enroll". You know you're successful when you see us listed on your donation summary page.

# THANK YOU
